

Dear parents and students,

Trinity will be hosting our Art Fair on Friday, March 14<sup>th</sup> along with our Entertainment Night. Students have the opportunity to demonstrate their God-given artistic abilities by displaying their original artwork. **ALL PROJECTS NEED TO BE TURNED IN ON/BEFORE THUR. 3/13!!!**

***If you have any questions about the project your student(s) would like to work on, please contact Amber Groth at [amber.groth@gmail.com](mailto:amber.groth@gmail.com) and she would be happy to explain and/or help as needed!***

Selected Trinity Art Projects will be submitted to KML's biennial Fine Art Exhibition on Friday, April 11, 2025 from 5:00-9:00 pm during Family Music Fest.

### **2025 Guidelines**

- Children may create their projects at home or use a project from art class at school. While we encourage parents to be involved in guiding their children, we ask that the projects be student-created. **Please do not use kits, paint-by-number, or other pre-made items.**
- **All projects for grades 3-8 will be counted as an Art Grade and judged on the use of originality, composition, execution, and visual impact. Projects of students in PreK-2 are not graded/judged but students are invited to participate!**
- All 2D (flat) projects on paper **need to be matted (no frames) and cannot exceed 12 x 18 inches including the mat.** Construction paper matting is perfect. Stretched canvas or work on panels is acceptable and need not be mounted. 3D projects **cannot exceed 36 inches of total dimension.** This means the height, width, and depth, when added together cannot be more than 36 inches. **Laminating of projects is discouraged.**

### **Categories**

- **Drawing:** 2D (flat), single medium: crayon, colored pencil, graphite, charcoal, oil pastel, sharpie, markers, chalk, soft pastel, ink, scratch art, etc.
- **Painting:** 2D (flat), single medium: watercolor, tempera, acrylic, finger painting
- **Printmaking/Collage/Mosaic:** Printmaking (a print or series of prints using paint, ink, etc. with an original design), collage (creating images using cut/torn paper and/or other materials), mosaic (creating images with an assemblage of small pieces of colored glass, stone, or other materials).
- **Sculpture:** 3D, wood, wire, paper mache, foil, clay, Model Magic, found materials. No ceramics are allowed at this time.
- **Mixed Media:** Using two or more mediums in addition to the surface on which the art is built (e.g. watercolor and ink; construction paper, charcoal, and Sharpie).

**Questions:** contact Amber Groth at [amber.groth@gmail.com](mailto:amber.groth@gmail.com)
