Blueprint Schools Report and Informational Meetings

Everyone should have received the emailed letter regarding the Blueprint Schools report. We will be holding informational meetings Thursday, November 13th at 7:15 pm and Sunday, November 16th, at 6:00 pm. *These will not be voters' meetings and no decisions will be made.* It is strictly an informational presentation to give the congregation an opportunity to hear the report and start thinking about it. All church and school families are invited to attend.

Copies of the report will be available at the informational meetings. If you are unable to attend one of these informational meetings, please contact the church/school office to get a copy of the report. We will email or mail you a copy at your request.

The Board of Education is also opening up several meeting times that individual families and/or small groups can meet with them for information, discussion and questions. Please watch for a Sign Up Genius to be emailed later today or first thing tomorrow. Each family is encouraged, but not required to set up a meeting.

The Church council will be meeting on Monday, November 17th and a Voters' meeting will be set up following that meeting.
