Cindy - 262-388-2992 or cindyloo12@hotmail.com.

Teacher Appreciation is the week of May 4th - 8th

Trinity Memories

As we step into a new chapter at Trinity without a school, we are planning a celebration of the school's history which would include a presentation with pictures and memories of Trinity. If you have any pictures that you would like to include please email them to trinityels.memories@gmail.com.

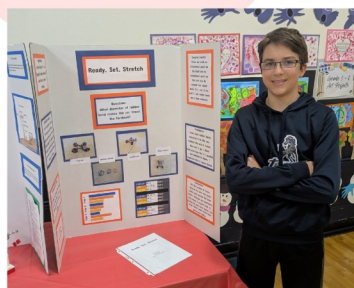

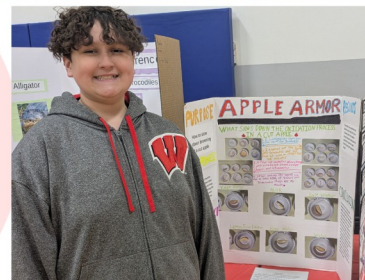

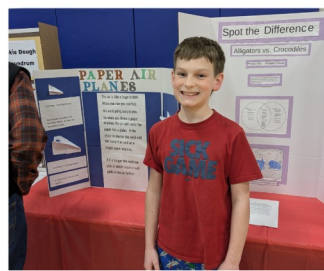

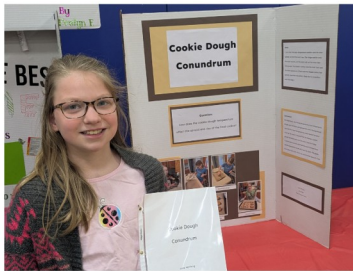

Trinity Lutheran School Heritage Service will be Sunday, May 31st at 3:30 pm in the gymnasium with punch and cake to follow.

Trinity Homeschool Co-op

Did you know that in Wisconsin, the number of families who homeschool their children has increased by over 40% since 2019? In 2019, homeschooled students made up 2.2% of Wisconsin's total K-12 population, but the most recent estimates show homeschoolers at 4.8% of the total. This provides an opportunity to look at a different way of delivering Christian education at Trinity. With the blessing of the Board of Ed and Church Council, Trinity is exploring the possibility of establishing an ELS/WELS Homeschool Cooperative (co-op) starting next school year. This effort is being led by Pastor and Sarah Hartwig. The main goal is to provide the opportunity for specialized education, group activities, and mutual support for Trinity's homeschool families and other homeschool families in the KML Federation. If you or anyone you know would be interested in a ELS/WELS Homeschool Co-Op at Trinity, please let us know by registering at this address: www.trinityels.org/homeschool

5th - 8th Grade Science Fair Projects

Students in grades 5 - 8 participated in the Lutheran grade school science fair held at Kettle Moraine Lutheran High School on Friday, April 17. Six students entered experiments and two entered research projects. Students worked on their projects individually over spring break. There was a little bit of revision and editing when projects came to school. All the effort and thought paid off when it came to judging. Two students were awarded blue first place ribbons and 6 were awarded red second place ribbons. Nice work, Trinity students!

Saturday, May 16th

8:00 am - Noon

Time again for Annual Spring Cleanup at Trinity!

Looking to cleanup the flower beds, trim bushes, freshen the mulch, paint the railing on the front steps, and work on the grass in the cemetery.

Calling All Volunteers!
